

AN ANALYSIS OF THE ELECTION RESULTS OF LUIS MARTINEZ.
(OFFICIAL ELECTION RESULT DOCUMENTS SHOWN AT THE BOTTOM)

The false election results shown below should be considered with the following facts:

1. The Election was called by an expelled member of the OSMTJ, T Bryant Jones.
2. Bryant Jones declared himself Regent a month after his expulsion, and weeks after the former Regent Nicolas Haimovici Hastier rejected him (having been previously expelled by him.)
3. The Election participants were largely appointed as Grand Priors by T Bryant just weeks before the Election to stock the Election with voters. These newly appointed Grand Priors had no knights under them. This is not to say a legitimate OSMTJ Grand Priory was not in that country, but rather, an alternate Grand Prior was appointed by T Bryant Jones in that country who had no knights under him for the sake of voting in this Election.
4. The True OSMTJ under Ronald Mangum maintains 40+ National Entities to this day.
5. Those who were not original OSMTJ Grand Priors before February 17, 2022 on this list are:
 1. Australia
 2. Canada
 3. Cuba
 4. England and Wales
 5. Hong Kong (was our man undercover.)
 6. Ireland
 7. Italy
 8. Pakistan
 9. Portugal
 10. Puerto Rico (Martinez himself.)
 11. Spain
 12. Taiwan
 13. United States (Bryant Jones/Garry Bull, appointed by Bryant Jones after Jones declared himself Regent.)
6. Out of the 10 voting certificates that were issued shown below, 7 of those were not original OSMTJ prior to Bryant Jones' expulsion on Feb 17, 2022.
 1. Australia
 2. Cuba
 3. England and Wales
 4. Ireland
 5. Portugal
 6. Puerto Rico
 7. United States
7. Martinez was groomed to be selected as Grandmaster by Bryant Jones, elevating him from Knight to Prior of Florida, to Grand Prior of Puerto Rico, to Grand Cross over the course of **one month**. It was a requirement to be a Grand Prior to be elected Grandmaster.
8. Of the 10 votes that were cast in the Election, Martinez only garnered 6, with 2 abstaining, 1 invalid and 1 for Matta.
9. Martinez voted for himself as did Jones/Bull. Philippe Matta of Lebanon who was original OSMTJ, voted for himself. This leaves only 4 votes left that voted for Martinez. With only 2 more original OSMTJ votes left, the best case for him is that the remaining 2 votes were for Martinez. This would make Martinez victor by 2 legitimate OSMTJ and 4 fake votes.
10. However, with 1 Invalid and 2 Abstaining votes remaining, there is no guarantee whatsoever that those two legitimate OSMTJ went for Martinez. In fact, it is entirely possible that Martinez was elected 6 out of 6 by fake votes, with the remaining original OSMTJ votes abstaining.

Congratulations elected Grand Master Luis J. Martinez

I thank every Grand Priory and every brother and sister involved in this election for your patience and observance of the Procedures. Now you all have the opportunity to rebuild trust in each other and work for the Order in unity and harmony.

Grand Master Luis Martinez will have a 10 year term, according to the Statutes. He should now prepare his Magisterial Council, confirm the allegiance of the Grand Priorities of the OSMTJ under him and prepare for a bright future, always under the Rule and Statutes, never stepping away from your origin and noble lineage. More than power, the new Grand Master should show leadership.

Do remember that the Order hasn't been united for many decades and that there are other branches with their own organizational structures and leadership. The Order is the sum of the totality of Templars and organizations in the world. If God brought us to this moment all divided among us, it is because He wants us to work on unity and own it as the promised fruit of our labour. It's up to us now. It's up to you.

The Order wishes to thank you for your commitment and service. Not for your Glory.

Given in Sintra, Portugal, the 17th day of April 2022

Luis de Matos, Eques a Flammula Veritatis
